Driving Miss Daisy NZ winner of Franchise Association Award

Message from the Founders of Driving Miss Daisy NZ – Jack and Melanie Harper.

We are incredibly proud to announce Driving Miss Daisy New Zealand are the WINNERS of the Home & Lifestyle Franchise System of the Year award, at the Westpac New Zealand Franchise Awards 2021 (delayed due to Covid).

Mel and Jack Harper, Founders and Directors of Driving Miss Daisy NZ

Up against many other well regarded and established 'household names' in the franchising world, we feel SO honoured, and humbled to receive this award.

The judges commented '....

They have clear and community-oriented vision, mission and value statements, and they achieve good results from the provision of a valuable community service. The customer experience numbers are impressive, with a random selection of 302 customers rating the service as 98 percent 'Excellent/very good'.

A huge thank you to all of our wonderful Daisy Team throughout New Zealand - this award is a true reflection of the hard mahi, and resilience they all tirelessly show. We appreciate all of our Daisies – and our amazing clients who have also all contributed in various ways to this National award!

Total Mobility Scheme Subsidy increase to 75% from 1st April for 3 months

You may recall that NZTA provided a 100% subsidy to TMS fares up to the regional maximum of \$80 per trip after the lockdown in 2020. This time around NZTA is implementing a similar discount of 75% for TMS fares, for three months from 1st April 2022 – maximum \$60 per trip!!

If you are a Total Mobility scheme card holder, you will possibly also get a letter from NZTA to advise of this increased subsidy period.

We hope that you will fully utilise this amazing initiative and go out to do the things you usually will do OR why not go out to try something new?
