Winter Edition

Mid-Winter Coffee Afternoon

We hope everyone is keeping safe and well this winter. We have had some wild weather already in the south. We are planning a Mid-Winter get together on Friday 23rd of July @ 2.30pm. It will be an afternoon tea at a Braemar Bakery with some of our staff and hopefully lots of our clients. The cost of the afternoon tea is \$20 per person. We hosted something

similar pre-Christmas and it was enjoyed by all. It was a great turn out as you can see from the picture above. It's a great way to meet some fellow Miss Daisy clients that you don't know and have a catch up with the drivers that you know well. Also, a good chance to do some shopping at Braemar they have a great range of homestyle baking, savories, pies etc. If you would like to attend, please ring and we will give you the details and book you in. There will be a small cost for this event to cover the transport and refreshments

Keeping Active

The cold Winter days can make it hard to stay active and mobile, whether it's lawn bowls with the crew or simply a stroll in the park, regular physical activity will boost your mood and help keep you healthy and mobile during the cold winter months. We'd love to help keep you active by taking you to your next outing, don't hesitate to contact us for ideas.

Winter recipe

Vegetable Soup

- 1 & 1/3 cup soup mix
- 6 cup vegetable or chicken stock
- 2 tsp dried rosemary
- 1 onion, finely diced
- 3 cup vegetables, peeled and diced (eg – carrot, celery, swede, leek, potato, silverbeet)
- Salt and Pepper

1. Place soup mix in a heavy-based saucepan with stock and rosemary, bring to the boil, reduce to a simmer and cook covered for 1 hour
2. Add onion and vegetables to the pot and continue cooking for 20 – 30 mins until the vegetables are tender.
3. Season with salt and pepper and serve.

This is a great basic recipe, use your imagination and add anything else you have on hand eg cooked shredded meat, pasta, beans, fresh herbs etc.

Enjoy with some warm toast and a loved one.

Team of the Month June 2021

We are always proud of the great team we have here in Invercargill. But we were extra chuffed to be awarded the team of the month for June 2021. It was awarded by our Head Office and not bad considering there are over 70 other franchises in New Zealand!

Here is what we had to say about our wonderful team –

“As the southernmost Daisies in the country, we love that our drivers epitomise all that is wonderful about Southern hospitality. As a team, they are warm and caring - they genuinely care about our clients. They are always making sure the little things are done well, and our clients love the attention to detail and personalised service we provide.”

Operatunity Concerts

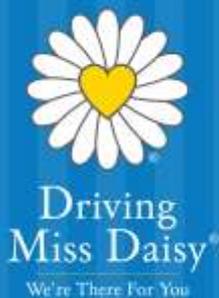

A lot of our clients enjoy the Operatunity concerts. A great daytime show with wonderful music, entertainment, and lunch. Here are the dates and themes for the rest of the concerts for 2021. All concerts are at the Civic Theatre. We would love to take you!
