Blockhouse Bay - Winter Edition 2024

## Happy 11<sup>th</sup> Birthday..

To celebrate our 11<sup>th</sup> birthday in March Driving Miss Daisy Blockhouse Bay added another car to the fleet. If you haven't seen our newest addition yet you may ride in it next time you are out with us. It is a Kia Niro, the first hybrid vehicle in the fleet. It is like driving a mobile computer with all the bells and whistles and more.

A bit different to my first car which was a 1984 Toyota Sprinter, Father Daisy's first car was an Austin Big Seven (and if you ask him, he will even be able to tell you the registration number!), Mother Daisy's was a Mini K which was called Kay's Mini. Dad and I love talking cars, what was your first car, can you remember the registration number?

### First Clients in a our New Kia Niro

It's always special when we take a client out for the first time in the new addition to the fleet. Karla injured her arm so was given Driving Miss Daisy by ACC to transport her and her darling children to school, daycare and work.

"My injury has made us meet such lovely and kind people! Susie and her team, Kay, Roger, Chris, Julie and Frances have been a blessing to us. At breakfast or during pick up times, we would always bet on who will pick us up. We would be all excited as the Daisy car drives in our driveway. I look forward to our conversations and it felt like catching up with a friend. Always on time, reliable and felt safe with them driving us. We never felt rushed in getting settled in the car or while I helped my boys to school and daycare.

I also felt confident with my older son being dropped off and picked up by a Daisy. He says they are nice as they always talk to him and asks about his day, homework, about his football game, etc.

Thank you very much Driving Miss Daisy Blockhouse Bay!

All the best to you all and we started the Daisy Car hunt. 🚗💙

PS Jake said "tell them see you soon, cause you might have another injury". Oh my this boy!" 😊

## Introducing our team:

### Part Two

We were blessed with two of these little ones, but you only know one of them.

Can you guess who she is and which one she is?

# Presentation

We know you love the Daisy Service, so I would love the opportunity to talk to your friends or a group or club that you belong to about what Driving Miss Daisy can do for them.

Please let me know if you would like me to share information about the Daisy Service with your friends, acquaintances or fellow club members and after the presentation you will receive a Driving Miss Daisy gift voucher to use towards your next outing with us.

## Ladies who Lunch

Val and Noelene were neighbours for 67 years before they both moved into different rest homes so to ensure they keep in contact the family and I coordinate a get together lunch every couple of months.

Here are a few photos from the last 6 months.

Do you or someone you know, have a friend you'd love to catch up with, have you got a walker or wheelchair you need assistance with, I'd love to help you.

## Gift Vouchers

Driving Miss Daisy Gift Vouchers make the perfect Birthday gift, Father's Day/Mother's Day and Christmas present.

Please call me to discuss the finer details of your gift, it can be for a specific value or for a surprise destination.

I'd love to put together a trip down memory lane for a beloved family member or a journey to a favourite place or even a shopping trip, the possibilities are endless.
