We're Your Bubble on Wheels!

We hope you and your bubbles are safe and well. New Zealand and world news is dominated by COVID-19 at the moment. It is easy to feel anxious, dis-connected and overwhelmed by the constant stream of information. You may not feel confident, not able, or even want to go out and about. At Alert Level 3, you can extend your bubble by keeping it small and exclusive. If we are able to support you in this way, then please let us know. **Jenny Hall & DMD Team**

What I've been up to during lockdown...

I've been pottering around in between working, getting my home in order. A little 'kon mari' if you will. I was going through my old tin trunk where I keep momento's and other bits and bobs and I came across this 1960's copy of the Woman's Weekly. I found it at a street market in the 90's and was fascinated by it. I'm so pleased I kept it, especially now they are no longer publishing. A slice of New Zealand history!

This current situation is not forever, and in the meantime, we can get you out and about in our Driving Miss Daisy car bubble. Nature is putting on a beautiful autumnal display at the moment, enjoy it at its best with a trip to your local park or the lake or beach with us - we could even pick up a coffee on the way. As long as we keep it local and drive a short distance (45-minute drive is OK) then we can ensure you are staying connected to your local community safely. We adhere to all hygiene protocols and if you want to know what this means for your own peace of mind, please do ask us for this information.

Room with a view!

Owner Jenny's window may not have the Edwardian views noted in E.M. Foster's novel but she is rather fond of her view and loves spending time looking out at it!

**'Every leaf speaks bliss to me,
fluttering from the autumn tree'**

Emily Bronte

Meet Lynne

This is Lynne, one of our Daisy heroes who has continued working through the lock-down. Lynne has been with us just over two years. She has several clients each week that she shops with and they are appreciating her help even more now that they cannot leave their homes to go to the supermarket or pharmacy themselves. Going out with Lynne is always an uplifting experience for our clients. She has a warm, calm demeanour and takes it all in her stride.

Whoa! what's cooking?

What have you been cooking whilst in lockdown? Have you discovered you're secretly a Monica Galetti in the making or is Alison Holst more your cup of tea. Please send in your recipes and we will put them into our very own Lockdown Recipe Book! We will publish this later in the year.

Thank you for your support

We at Driving Miss Daisy Hamilton want to say a big thank you to all our clients and community members. Your support means a lot to us. It allows us to provide a much-needed service in the community that is reliable, trusted and affordable during these uncertain times. During Level 4 and now Level 3, we have provided the following essential services to our clients which have proved invaluable:

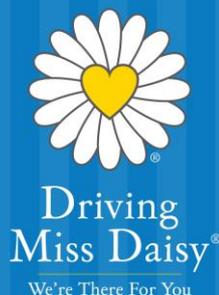

- Completing grocery shopping
- Pick up and drop of medical prescriptions
- Emergency trips to the vet for your pet
- Emergency trips to the GPs, medical centre and hospital

As we move down the Alert Levels...

We do need your continued support. We are a local business with an incredible team of drivers whose livelihoods also rely on your commitment to supporting local. Ways in which you could support us are:

- Encourage your family and friends to like us on Facebook or Google.
- If you have used our service, write a comment on our Facebook page or leave a Google review.
- Share posts from the Driving Miss Daisy National page to your Newsfeed and encourage your Hamilton family and friends to comment and then pass it on.
- Purchase a Daisy Experience gift voucher, an ideal treat for a friend or family member.

Think Green - If you would like to receive our newsletters by email, please get in contact via the email address below. Also check out our Facebook page.
