Autumn Edition

News and views from your local Daisy

Enjoy the Autumn leaves with your local Daisy

New Zealand is spectacularly beautiful every day of the year, but Autumn brings with it the rich hues of scarlet and gold across the country as the leaves change colour. The sights quieten down after a buzzing Summer and the fresh autumn air brings a sense of calm with it. The perfect recipe for a trip with your local Daisy.

The cooler Autumn days also makes it easier to stay active and mobile, whether it's lawn bowls with the crew or simply a stroll in the park, regular physical activity will boost your mood and help keep you healthy and mobile during the cooler months. We'd love to help keep you active by taking you to your next outing, don't hesitate to contact us for ideas.

With the COVID-19 Vaccine roll out for seniors planned to start in May, feel free to contact us to assist you to get your vaccine. We can transport you and be there for you every step of the way. You might like to book it with a friend or two to help keep the nerves at bay.

We have every reason to remain optimistic with the great job our team of 5 million are doing to keep us safe from COVID-19, so let's celebrate this Autumn and get out to enjoy the falling leaves with friends or loved ones before we hunker down for the winter.

Driving Miss Daisy Team of the Month - April 2021

Congratulations to our team for being recipients of this national recognition!!

Our team has the “drive” to provide that dedicated attention to every one of our special clients. They work tirelessly to ensure everyone gets the true Daisy experience. This includes avidly cleaning our vehicles, delivering newsletters and birthday cards, through to dressing up for the Santa Parades. Also dancing with our clients at the Operatunity Concert, climbing through house windows to retrieve keys, through to making “daisy” face masks.

During the COVID19 lockdown last year we rung every single client to enquire after their wellbeing. Everyone was willing to participate, and some drivers continued to make regular phone calls to stay connected with our clients.

Our clients speak very highly of our staff and it certainly makes me proud to be able to be part of such an awesome team. The recent client survey result of 100% client satisfaction certainly highlighted this!!
