

Greetings, it appears that the summer is slowly leaving us, and autumn is approaching. I was away in Christchurch recently and all the trees were turning into the beautiful autumn colours, was quite a bit cooler than Auckland. It has been wonderful to see so many of our clients after a long lockdown and Christmas.

I would like to share with you some great news I have recently purchased the Ellerslie Franchise of Driving Miss Daisy. Very excited to welcome all our new clients from Ellerslie.

Would like to introduce both Robyn and Amanda, who joined the team from the Ellerslie Franchise.

### Deborah is off to London

I am going to London (April 12 – May 16) to be with our daughter and her partner as we welcome our first grandchild. I am super excited to be travelling after a long 3 years of not been able to see our daughter.

While I am away, Tanya Townley will be looking after the phones, and the scheduling of your appointments. Please call her with any requirements you need. I will be working in the background with emails and billing.

## Total Mobility Scheme – get a card and save!

The Total Mobility Scheme is available for people who cannot drive for a medical reason or find it difficult to use public transport. Total Mobility Scheme card holders receive a substantial discount off their fare when they use Driving Miss Daisy. Contact your local CCS or Age Concern who will be able to help apply for a Total Mobility Scheme card.

## Meet the Team

My team of Sarah, Faye, Amanda, Jodi, Steph, Robyn and Tanya are looking forward to seeing you all very soon and using the Driving Miss Daisy service for all your future transport requirements.

We can solve all those problems with traffic and parking and get you where you need with no stress. We can provide as much or as little assistance as you require.

## New vehicle has joined the fleet

I have added to our fleet of vehicles a brand-new VW caddy, this is the perfect vehicle to transport wheelchair clients to appointments or out with family on outings. Jodi is our experienced hoist operator for this vehicle.

## Happy Easter

Have a safe and wonderful Easter, and especially enjoy the hot cross buns and chocolate easter eggs.
