

There's no place like home...

One thing these unprecedented times have taught us in the last 18 months is that there's no place like home. We have learnt to appreciate the little things like seeing a loved one or getting out in nature and enjoying our beautiful backyard!

Gulf Harbour at Sunset – taken by our Daisy Driver

Our Daisies are here to help you get out and about safely this festive season, whether it's visiting loved ones, getting your friends together for an outing or stocking up your pantry for Christmas lunch. We're here to help you feel safe, comfortable and confident to head out and enjoy the festive season, no matter how you like to do it. Our Daisies are committed to meeting all your needs, and you can feel confident we have every protocol in place to keep it safe, clean and socially distanced.

Why not make this delicious Rocky Road for your next visit with a loved one? We'll make it easy for you to pick up the

ingredients at your local shop and get you to your loved one's place with lots of time to enjoy yourself.

We at Driving Miss Daisy Hibiscus Coast are offering Christmas light tours or days out at the beach this year. Please call to ask us and book in for a special journey or shared trip.
