

## 'Tis the Season...

This is the season of family and love and most of all giving. We give gifts to our loved ones, friends and others to show appreciation for all they have done for us throughout the year. It's also a special time for us all at Driving Miss Daisy as we get into the holiday season with our special festive Daisy Experiences. We are eager to hear about the events and activities that you are involved with or interested in attending during the coming months.

Be a part of the festive fun and adventures around Whangarei. Call us up to go and see the Christmas lights, enjoy singing along at the Christmas Carols, or attend a special festive meal or church service.

A Daisy Experience can be for one, or get a group together and share the costs. Go to an organised event or have your own get-together at a favourite café, high tea at the quarry gardens or maybe a drive to the town basin or the Onerahi Foreshore to stroll in the sunshine and enjoy an ice cream.

Aging experts agree that it's good for you to keep both physically and socially active. Even the festive time of year can be lonely for some, so do reach out and bring some cheer to each other.

Talk to us - we know the local activities and will help you have the perfect outing.

### Holiday Driving

We will be available throughout the holiday season to help you get to wherever you need to be – family gatherings, appointments or just to re-stock the cupboards after all that Christmas eating!

Don't forget - we can take you to the Christmas carols or to look at the beautiful Christmas lights trail.

And when Christmas is over remember we can take you to the pools or to the gym to work off the Christmas dinner!

Thanks for travelling with Driving Miss Daisy in 2019 – we'll be there for you in 2020.

# Christmas shopping sorted!

Driving Miss Daisy can solve the Christmas dilemma of a gift to buy or receive. What better idea than a Driving Miss Daisy Experience **gift voucher** that can be bought directly from us.

This has traditionally been a wonderful gift that family can give you, so don't forget to drop them a hint.

A Driving Miss Daisy gift voucher creates memories, which is something very special, and you can use anytime you wish throughout the year.

## Don't forget..

- Driving Miss Daisy accepts the TMS cards ("half price taxi chits")
- This provides driving discounts on all transports
- We can take your cat or small dog to the vet if needed
