

'Tis the Season...

This is the season of family and love and most of all giving. We give gifts to our loved ones, friends and others to show appreciation for all they have done for us throughout the year. It's also a special time for us all at Driving Miss Daisy as we get into the spirit with our special festive Daisy Experiences.

Be a part of the festive fun and adventures around Waikanae and Otaki. Call us up to go and see the Christmas decorations and lights, enjoy singing along at the Christmas Carols, or attend a special festive meal or church service.

A Daisy Experience can be for one, or get a group together and share the costs. Go to an organised event or have your own get-together at a favourite café or simply a drive to stroll in the sunshine and enjoy an ice cream.

Aging experts agree that it's good for you to keep both physically and socially active. Even the festive time of year can be lonely for some, so do reach out and bring some cheer to each other.

Talk to us - we know the local activities and will help you have the perfect outing.

Holiday Driving

We'll be available throughout the holiday period to help you get to wherever you need to be – family gatherings, appointments or just to re-stock the cupboards after all that Christmas eating!

Christmas shopping – sorted!

Driving Miss Daisy can solve the Christmas dilemma of a gift to buy or receive. What better idea than a Driving Miss Daisy Experience **gift voucher** that can be bought directly from us.

This has also traditionally been a wonderful gift that family can give you, so don't forget to drop them a hint.

A Driving Miss Daisy gift voucher creates memories, which is something very special, and you can use anytime you wish throughout the year.

Handy Christmas Hints

Always win at Christmas crackers

If you never get your hands on that covetable key ring bottle opener, here's what to do. Hold your end of the cracker lower, so it tilts towards you, and go for a slow, controlled pull, with minimum twisting.

Chill a bottle of bubbles quickly

Forgot to put the bubbly in the fridge? Wrap the bottle tightly in a damp tea towel, then pop it into the freezer. Because heat travels more quickly through dense materials (the waterlogged towel) than air, your fizz will be ice-cold and ready to pour within 20 minutes.

Use up leftover Christmas pudding

For a delicious Boxing Day treat, make Christmas pudding rolls: simply roll out a pack of shop-bought puff pastry, cover it with chunks of leftover pudding, then roll up and chop into equal sections. Pop into a 200C oven for around 20 minutes, or until crispy. Or mix crumbled Christmas pudding into ice cream for an easy dessert.
