

## Happy Holidays Everyone

After a year that everyone wanted to forget, 2021 had a lot to live up to and it certainly did that. Tracey and Rob would like to thank you all for your ongoing support throughout the year; we have enjoyed working with all our wonderful clients, and we've enjoyed some milestones; a special '0' birthday for Tracey, a special anniversary for our business, and another successful fundraiser for Alzheimer's. (More details throughout this newsletter!).

And through all the challenges, we would like to make mention of our amazing team of Daisies. Every day they come to work with a smile on their face. Their commitment is amazing, nothing is too difficult, and they regularly go 'over and above' to help make 'things' happen.

### Tracey's Delicious Christmas Cake

# 2021 the year what was!

## Happy 3<sup>rd</sup> Birthday

Three wonderful/crazy years ago Tracey followed her dream and became the proud owner of Driving Miss Daisy - Nelson West.

Rob came on board 18 months later...and now here we are with 5 cars and a wonderful bunch of Daisies. What a ride it has been – here's to the next 3 years, and beyond.

## Dive for Dementia Take 2!!

On a beautiful Sunday morning in September Tracey and nine other brave souls took to the skies to help raise money and awareness for Dementia, with all money raised staying in the Nelson/Tasman region. There were varying levels of excitement with a number of people ready and eager to get up into the air ASAP, while others were wondering what they had signed up for! But by the end of the day there were 9 happy, proud, relieved faces with their feet firmly on the ground; a huge thank you goes out to all the supporters and the team at Skydive Abel Tasman.

## Staff...

A huge thank you goes out to Lyn who retired in September leaving big shoes to fill. Lyn had been with us from day one and was our "Rock" in those first few weeks. We all wish you best and hope retirement treats you well.

After 2½ years with us we farewelled Felecia in October. She was one of our 'originals' and her can-do attitude will be missed.

## 2022

Who knows what next year will bring, but we'll keep on providing the 'Daisy difference', getting our clients out and about so they stay connected with family, friends, groups and activities.

But for now, we are wishing you all a wonderful festive season!
