

'Tis the Season...

This is the season for family and friends and most of all giving. We give gifts to our loved ones, friends, and others to show appreciation for all they have done for us throughout the year. It's a special time for us all at Driving Miss Daisy as we get into the spirit with our special festive Daisy Experiences.

Be a part of the festive fun and adventures around Mt Maunganui and Papamoa. Call us up to go and see the Christmas decorations and lights, enjoy singing along at the Christmas Carols, or attend a special festive meal or church service.

A Daisy experience can be for one or get a group together and share the costs. Go to an

organised event, organize your own get-together at a café or perhaps just get driven to your favourite park or beach so you can take a stroll in the sunshine while enjoying an ice cream!

Aging experts agree that it's good for you to keep both physically and socially active. Even the festive time of year can be lonely for some, so do reach out and bring some cheer to each other.

Let's not waste another day and make the most of being able to enjoy this festive season with our loved ones.
